

“Our family loves exploring and imagining at the Children’s Activity Museum. Through the changing thematic rooms, our children have become astronauts, firefighters, chefs, professional athletes and more. We’re always excited to see what’s new at the museum!”

– *Elsa Mabbutt, Ellensburg, WA*

“Ellensburg is fortunate to have a place where children can go and be active any time of the year. We play at the Children’s Activity Museum at least two times a week. The kids love it here. There is so much for them to do.”

– *Rachel Caron, Ellensburg, WA*

“The Children’s Activity Museum provides a great escape when bad weather leaves the kids restless and in need of activity. The museum allows the kids to let their imaginations run free.”

– *Jennifer Hackett, Ellensburg, WA*

Since 1991, the Children's Activity Museum has put wide-eyed excitement on the faces of thousands of children. Through education, exploration, fun

and most importantly, hands-on activities, each day a child learns something new at the Children's Activity Museum.

By exploring the museum's many themed rooms, children learn about science, math, technology, reading, writing and more. They can have a variety of educational experiences, all in one day, under one roof. The museum's activities are best for ages 2 to 8, however younger and older children also enjoy our facility.

Along with daily fun in the museum, we also offer a variety of other services and activities, such as a preschool program, summer camp, a year-round Explorer's Club, rental facilities for parties and more. So make sure to ask about those!

We encourage kids to pick up, examine and play with all the items in the museum. **There's no better way to learn than by doing!**

Children's Activity Museum

The Children's Activity Museum is a non-profit organization. Its operating dollars come from membership dues, admission fees, fundraising events and grants. **Your membership dollars directly help the museum** with things like programs, equipment and staffing. Won't you consider becoming a member?

As a member, you get many benefits, including:

- Unlimited admission
- Discounts on museum programs
- Coupon sheets
- Invitations to members-only events
- And more!

Annual membership costs vary from \$40 to \$135.

Find out which one is best for your family. We also have special memberships for childcare providers, preschools and nonprofits. Remember, children must be accompanied by an adult at all times, which is why all our memberships include entry for adults as well.
